## Philosophy

The Mission of St. Xavier H.S. is to assist young men in their formation as leaders and men for others. The soccer field is one of the many places where we serve this mission. We believe that discovering, developing, and sharing our soccer talents as part of a team will help young men grow. The St. Xavier soccer camp serves as an introduction to our soccer program and how we work towards the mission.

## Content

Foundational skills covered will include:

- First touch and dribbling
- Passing and trapping
- Finishing
- Crossing
- Heading
- Movement off the ball
- 1v1 attacking/defending
- Offensive/Defensive tactics

Each skill will be developed in three movements:

1. Teach and practice the skill without pressure.
2. Play small sided games that require players to utilize the skill.
3. Encourage players to implement the skill during match play
